Do you have me in your mind or not! I'm your wife! You're too dictatorial!
And moving out in such a hurry! How am I supposed to accept all those changes altogether!
That's why we came out searching for house to rent together.
That's not the problem!
Ming-ming! Say something about your father!
Um?
Actually I don't care.
To be honest, ever since the minute when they refused to help and made sarcastic comments
I don't want to live there any more.
What... what a pair of cynic-like eyes...
Ming-ming! You shouldn't hate them, they are not bad in nature. (His precocity has gone too far)

Sigh never mind, guess I'll hove to search for housing with you
Let's go!
♫
You carry the pole
I pull the reins
Right! I know a ploce, it's like o quadrangle, and very spacious!

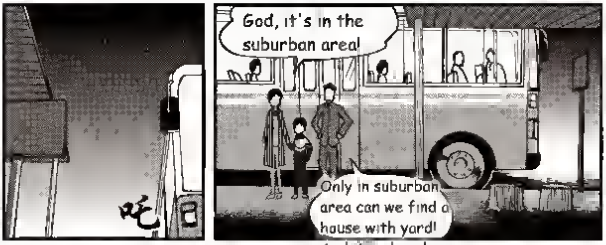
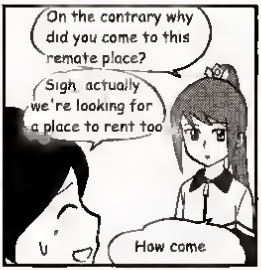
T/N Opening song for the TV series *A Journey to the West*



It's right there! Look there's a bus stop right at the door, convenient isn't it?
Hum——? You seem to know here well long before, now after we go home you must
Knock x3
Ho
Don't pay attention to details

Ming-ming, what do you think about here?
It's a little bit too remote, although there's a direct bus to school.
Sorry, I has another family visiting just then
We'll tell dad we would like a place downtown later
Oh, seems your business is going well
OK
Uncle Niu, now that you have other guests, we'll leave now and move in tomorrow
OK, I'll be here all day tomorrow.
Um? That voice...
Ah...? Ming!?
Bro Zhong!? Your...
Hua? Why are you here?
We rented a room here
Hello I'm the brother of Ming's class prez
Nice to meet you
Is everything OK with you young man?

Zhong-gege has already left hospitol? Has he fully recovered?
So it is ture that you con't stay in your old place
It's a long story. Anyway I'll live here for the time being



On the contrary why did you come to this remate place?
Sigh actually we're looking for a place to rent too
How come

Huo! Let's go! We'll pack our belongings at Aunt Liu's place Tomorrow we move
Got it

If we decide to live here, we'll become neighbours
Oh! I'm looking forward to it!

Neighbours!?

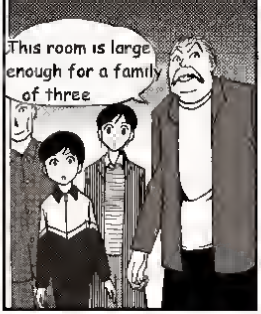
See you!

Ming
Ah!

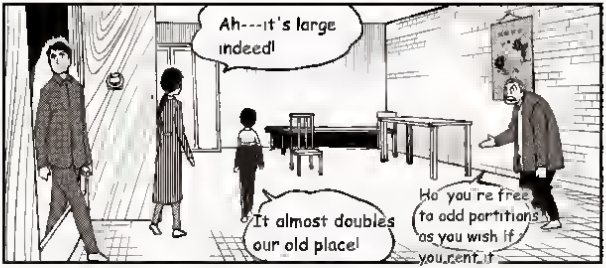
We can take our time talking to each other
After everything comes to an end tomorrow

O K
The family over there, you can now come in!
OK
Here, mind the slope.
This estate has three rooms, the young man you just met rented the west room on the left, I live in the north room to the front, now there's only the east room left.
Looks nice huh

I'll show you the east room

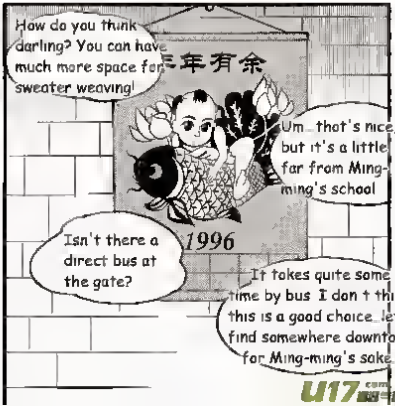


This room is large enough for a family of three



Ah---it's large indeed!
It almost doubles our old place!
No, you're free to add partitions as you wish if you rent it

You can take your time looking and discussing
Thank you



How do you think darling? You can have much more space for sweater weaving!

Um... that's nice, but it's a little far from Ming-ming's school

Isn't there a direct bus at the gate?
It takes quite some time by bus. I don't think this is a good choice. let's find somewhere downtown for Ming-ming's sake.

U17.com

Let's go, Ming-ming
Hey
Stretch
Ming-ming! Are your feet nailed to ground? Didn't we agree to find a place back downtown before?
Hahaha! Our son likes here too!
Ah gosh! My son favours beauty before mum! Just for that little prez
That little prez IS cute indeed!
Ah, no it's not
Ming~your mum is angry again, let's use the old trick!
Fine then!
I agree, is that what you want? You two selfish...
SLAM
OK!

Chu
Chu
Darling~don't get mad
Please smile, mum~
Two idiots!
Crack
Crack
You nasty
Clap
Clap
Not angry
Hehe

I still think it's too rash to pay the deposit and sign the contract now.
Too much happened today, I really have difficulties accepting them.
Life without changes is boring! Look at the stars in the sky! You can't see them downtown!
I prefer a stable and peaceful life. It feels more settled.
Ming-ming
Um?
You must behave well at school.
Our family can't take more troubles going with us.
.....
.....yeah...
Rest assured, Ming-ming is a well-behaved kid...
